Copenhagen, 30 July 2024

A preliminary exhibition event program for HAFNIA 24 are ready

We are happy to announce a nearly 100% ready program for the four exhibition days at HAFNIA 24. There will be a lot of meetings, presentations and congresses. We start the exhibition on Thursday 17th October at 12 o'clock with music performed by the Danish Post Orchestra at the main stage in the exhibition hall, and from that time on there will be presentations at the main stage and meetings with speeches and presentation in the meeting room 1. On Saturday there will be two conferences for invited. The first starting 9 o'clock in a room next to the hall named "Spisehuset" where AIEP, the International Association for Philatelic Experts, will hold their conference followed by celebration of their 70th anniversary. In the afternoon the European Philatelic Federations will hold their conference for all the European Association. Two major events we are proud to have in connection with HAFNIA 24.
