# Souvenirs at HAFNIA 24

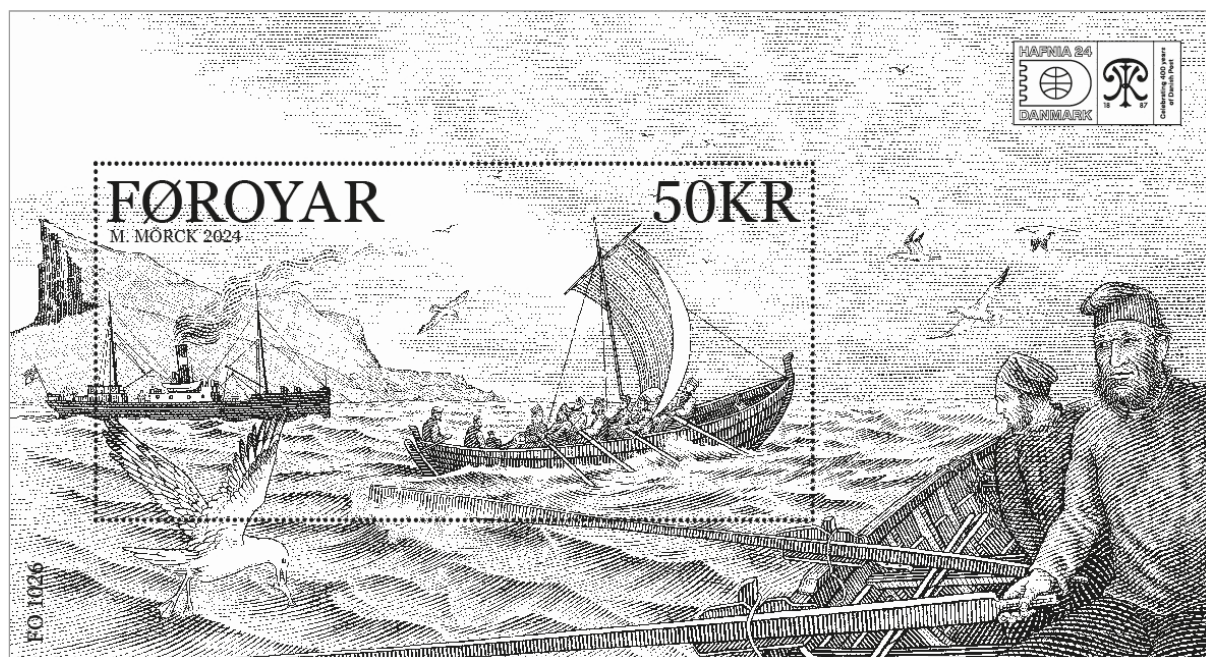

Copenhagen, 28 September 2024

### HAFNIA 24 mini sheet

On 1 October, PostNord Denmark has published a second exhibition block on the occasion of HAFNIA 24. The block is similar to the first block, which was published in January, and contains four DKK 25 postage stamps for domestic shipments. The difference from the first block is that this time the airmail mark for the bottom right is in orange and not in green. The block is produced in 5,000 numbered copies and will only be for sale at the exhibition. Blocks with the numbers 00001 to 01500 are sold from the HAFNIA 24 information stand for DKK 100 per block. However, the very first manufactured block with number 00001 will be auctioned off the main stage in connection with the opening of the exhibition on Thursday, October 17 from 12:30-13:00. The profit from the sale goes to the exhibition.

In addition, both Posta Faroe Islands and Tusass Greenland have also issued a special block, which is for sale at the exhibition.
