If you want to exhibit? Send in your application now! Newsletter #4

Copenhagen, 22 August 2023

Even though there is long time to deadline 1 January 2024, it is now you should send in your application for exhibiting at HAFNIA24.

Your application is filled in directly on the exhibition web-page. Go to

www.hafnia24.com

Select “Exhibitors” and then “Forms” and follow the instructions. To qualify your exhibit for the exhibition, the exhibit must have achieved a minimum of 75 points at a national exhibition to be awarded 5 frames. For 8 frames, a minimum of 85 points is required at a FEPA/FIP exhibition. We are happy that 30 commissioners will be coming to Copenhagen in October 2024 with a wide range of exhibits.

If you have any problem with filling in the form or questions about qualification of your exhibit you can contact your national commissioner. A list of national commissioners you find on the web-page here: <https://www.hafnia24.com/find-your-commissioner/>

Did you know that Copenhagen has been appointed World Capital of Architecture 2023-2026 by UNESCO? - and did you know that Copenhagen is the second city in the world to hold this prominent title following Rio de Janeiro?

Copenhagen was chosen because of its strong mix of architectural and historic heritage in buildings, and its innovative urban development. This together with its high ambitions for climate, sustainability, and livability made the city worthy of the prominent title.
